

prevention COURSES

Merck BKK

If I want to do additional preventive sports, what do I have to consider?

You are welcome to take part in a prevention course. What exactly is a prevention course? It should prevent and that is why the course instructors have to be certified accordingly.

You can find courses near you here →

<https://125.zentrale-pruefstelle-praevention.de/kurse/>

What costs will I have to pay?

Course fees can vary greatly. But the fact is, if you have attended a course regularly (at least 80%) **we will refund 85% of the costs** up to max. **100€**.

How do I get my grant reimbursed by Merck BKK?

At the end of your course you will receive a confirmation of participation. Please submit it to us, we will refund our share to your account.

How often can I attend a prevention course?

You can take a prevention course **2 times** a year and get a refund of up to **200€**.

Do I have other advantages?

We have with some regional gyms discount promotions.

Here you can find the discounts →
